

Meeting Agenda - 12/05 - Team Peanut Butter  
Darius Bopp, Ron Dentinger, Nick Guo, Claudia Wu

Achieved Milestones:

- Can Create/Delete Poll
- Can see multiple polls
- Can update previous vote
- Security Improvements
- 404 / Restricted Access
- Can see poll results
- Can manage admins
- Increased Styling

Changes to Design:

- Admins are admins for everything, rather than of specific polls

Demo MVP:

<https://mit-dormpoll.herokuapp.com>

Future Goals:

- Better results page
- Text Input Questions
- Edit polls
- Open/closed polls: making use of poll times

Questions:

- Admin structure?
- UI Input?
- Floor specific populations?
- Authorship of files?
- Do we allow any MIT student to just login? Or only whitelisted users?
